

**Baldwin County School District - Strategic Plan
Planning Team**

Greetings to all Community Engagement Participants:

We would like to thank all of you for participating in the community engagement session that was held on November 5, 2013 for the Baldwin County School system. As promised, Laura Reilly with the Georgia School Board Association (GSBA) has compiled all of the responses charted at the community engagement session and all responses recorded on the online survey. Attached to this site, you will find the report compiled by the Georgia School Board Association.

As we discussed at Community Engagement session, the next step for our strategic planning process will consist of a planning team continuing the work of Phase I. Criteria provided by the GSBA was used to form the planning team. This team will consist of approximately 30 persons from both the school system and the community. The initial meeting for the planning team will be held on Monday, December 16th from 8:30 a.m. until 4:00 p.m. and on Tuesday, December 17th from 8:30 a.m. until noon. On this site, you will also find a copy of the GSBA powerpoint that outlines the strategic planning process. Also on this site, you will find a presentation outlining Phase I step by step. It is our goal to have Phase I complete by April or May 2014.

Once again, thanks to everyone who volunteered to serve as facilitators and to all others who took time out of your busy schedule to lend your voices for the students in the Baldwin County School system. If you have any questions, please do not hesitate to contact the superintendent's office at 478-453-4176. Thank you

Baldwin County Board of Education
