

Jason Flanders graduated Mercer University with a B.A. in Mathematics in 1998. He began his educational career at Westside High School and remained in the Bibb County School System for 14 years working as a math teacher and Assistant Principal at Westside and Central High Schools. During that time, he earned his Master's and Specialist degrees from GC&SU. In 2012, Jason began working in Peach County as an Assistant Principal and CTAE Director. While CTAE Director, he served as member of the statewide CTAE Resource Network Board. In May 2018, Mr. Flanders was selected as the principal of Baldwin High School. He is a member of the Milledgeville Kiwanis Club. He has been married to his wife, Pam, for 23 years and they have one child, Clay, who is a senior in high school.
