

## What is a School-Parent Compact?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

### Effective compacts:

---

- ◇ Link to academic achievement goals
- ◇ Focus on student learning
- ◇ Share strategies that staff, parents, and students can use
- ◇ Explain how parents and teachers can communicate about student progress
- ◇ Describe opportunities for parents to observe, volunteer, and participate in the classroom.

## Let's Do it Together!

Parents, students, and staff work together to share ideas and develop the school-parent compact. Teachers have met with their subject area teams to design practical strategies for parents to use at home.

Parents are needed to provide valuable feedback on their needs to help their students, and students are encouraged to complete comment cards to add ideas for the compact. We need your input during our annual meetings as we review and revise the compact! Feedback is welcomed at any point throughout the year. Please call Becky Norton at 478-457-3388 for more information on the school-parent compact.

## We're on the same team!

OHMS offers ongoing events throughout the year to provide parents and students access to our staff, including:

- ◇ Fall & Spring Open House
- ◇ Parent-teacher conferences as requested to discuss student progress
- ◇ Use of Remind, Facebook, Twitter, and other social media
- ◇ Parent Resource Center (open M-F 7:30-4:00)
- ◇ Academic Nights to encourage parent involvement and showcase student achievement
- ◇ Annual Title I/PTO meeting to offer input on the Parent Compact and Action Plan
  - ◇ Fall & Spring Open House
- ◇ Parent-teacher conferences as requested to discuss student progress
- ◇ Use of Remind, Facebook, Twitter, and other social media
- ◇ To make an appointment with your child's teachers, contact the school at 478-457-3370.

## Parents, we need you!

Get involved in the various opportunities throughout the year to interact with your child and his/her teachers!

Principal

**"OUR GOAL IS EXCELLENCE."**

# Achievement Goals

## 2018-2019 District Goals

All students will reach high standards at a minimum attaining proficiency or better in reading/language arts and mathematics on the state assessment.

## 2018-2019 School Goals

On the 2017-2018 CCRPI Report, OHMS will increase the percentage of students scoring as Developing Learner or Above on the GA Milestones exam by 3% from the previous year in each grade level while specifically focusing on math and literacy initiatives.

## Areas of Emphasis

Oak Hill Middle School is committed to excellence in all areas and we will continue to work diligently as we mirror the Baldwin County School District's goals: increasing parental involvement, increasing literacy, and improving the graduation rate.

## As a school, we will...

- ◊ Encourage parent participation in meaningful homework assignments designed to build and master skills presented in the classroom;
- ◊ Invite parents to share their input in sessions to know how best to equip them to assist their child at home;
- ◊ Maintain an open door policy in which parents are invited to share in the educational process of their children.

## As parents, we will...

- ◊ Take an active role in our child's education, including assisting with and reviewing homework;
- ◊ Attend parent involvement sessions that equip us with useful tools and strategies to help our children academically;
- ◊ Maintain regular parent contact with our child's teachers and actively monitor their progress;
- ◊ Participate in the Parent Engagement initiatives and offer periodic input.

## As students, we will...

- ◊ Complete the homework assignments (with parents, whenever possible) and mark problems we don't understand so our teacher can explain them.
- ◊ Invite our parents to the parent involvement sessions and participate together as often as possible.
- ◊ Use the resources (web sites, practice packets, etc.) to help us master new skills and prepare for tests.

## MY GOALS

- ◊ My own personal goal for MATH is: \_\_\_\_\_
- ◊ My own personal goal for READING is: \_\_\_\_\_
- ◊ My TEACHER can help me reach my goal by: \_\_\_\_\_
- ◊ My FAMILY can help me reach my goal by: \_\_\_\_\_
